

Fifth Global Risks Conference
with the participation of the
World Economic Forum
20 June 2018

ALRiM, the Luxembourg Association of Risk Managers, will hold its

Fifth Global Risks Conference

with the participation of the

World Economic Forum

On **June 20th 2018**, at **16:45**

Venue: **19 Liberté**

19 Avenue de la Liberté, Luxembourg

Aengus Collins is Practice Lead for Global Risks at the **World Economic Forum**. He is the lead author of the annual Global Risks Report, and he also works on the World Economic Forum's flagship economic research and reports. He will present the main results of the 12th edition of the Forum's Global Risk Report. The Report identifies the **transformative forces underway** which will shape the coming decade, discusses the **changing global risks landscape** and raises awareness of the potential risks associated with these global evolutions.

Emilie Allaert is Head of Operations and Projects at the **Luxembourg House of Financial Technology**. She has deep expertise in the Asset Management industry, on regulations and IT projects. Emilie is included in the international "Women in Fintech Powerlist 2017" . She is the resident expert in **Blockchain and ICOs**.

Claude Wampach, Premier Conseiller de Direction, Head of Risk Management, Banking Supervision **CSSF**, **Denise Voss**, Chairman of **ALFI** and **François Masquelier**, Treasurer of **RTL Group**, will participate in the panel discussion on the theme: "**Crypto-currencies, Risk or Opportunity for the Luxembourg Market Place ?**".
